

Paint Creek Patterns Quilt Barn Trail

INTEREST QUESTIONNAIRE

Beginning in Adams County and spreading around the country, the Barn Quilt Square Project has been a terrific way to celebrate our heritage. Quilt squares have been painted and mounted on barns in Highland, Fayette, and Ross Counties. This not only beautifies our countryside, but encourages travel in our county.

We know have over 50 squares completed and a beautiful brochure detailing each square. If you would like to be part of this project by having a square on your barn, print and fill out this form, tear off the bottom for your own information and mail the top portion to: Greenfield Historical Society, 103 McArthur Way, Greenfield, Ohio 45123.

If you choose to become a part of this project, it is vitally important that you contact one of the area representatives before you begin. These folks have experience and will be happy to share their expertise with you. You want your quilt square to last and they will be able to provide you with information on the proper materials to use. We want to know where your quilt square will be hung and what pattern you have chosen so there are no duplication.
