

Cemetery Preservation and Restoration Workshop

Hosted by the Historical Society of Greenfield, Ohio

Saturday, June 25, 2016

Sheep Pen Cemetery – Highland/Fayette County line, OH

8:00 am – dusk • \$30/person - includes lunch

Spend a full day in the cemetery learning the proper techniques of cemetery restoration and repair ~ identifying, cleaning & repairing grave markers.

Learn from expert **Mark Morton**, Gravestone Guardians of Ohio, and also learn some history of the Sheep Pen Cemetery.

You should attend this workshop if...

- You are interested in seeing that our historic cemeteries are well maintained, restored and given the respect they deserve.
- You are a cemetery caretaker or responsible for oversight and maintenance; or a Township Trustee or a church leader with a cemetery under your care.
- You are a Scout (or Scout leader) interested in a cemetery project for a Merit Badge.

In this workshop you will learn proper cleaning of grave markers, and the basics of gravestone repair and preservation: leveling stones, building new bases and repairing broken stones.

This workshop will empower participants providing them with the indispensable knowledge they will need to document and preserve cemeteries and to properly restore grave markers.

Attendees will have the opportunity to work on actual grave markers.

Attendance is limited to 30 attendees so REGISTER EARLY!
